PROFESSIONAL SUMMARY

- Senior Life Sciences Program Manager with about 7 years of experience, including 5+ years delivering enterprise-scale data, analytics, and AI transformation programmes for global pharmaceutical, biotech, and precision medicine organisations. Deep domain expertise across Commercial, R&D, Medical Affairs, Laboratory Operations, and Clinical / Real-World Evidence (RWE) within GxP-regulated environments.
- Proven leader of \$5M–\$20M+ global programmes, managing 100+ cross-functional resources, driving cycle-time reduction, cost optimisation, productivity uplift, and compliance risk reduction. Strong capabilities in programme governance, portfolio prioritisation, benefits realisation, executive steering committee reporting, and delivery across AWS & Azure, Snowflake-based analytics platforms, MDM, data governance, and GenAI-enabled products.

WORK EXPERIENCE

► Senior Project Manager | Cybroscape Technologies, India

Aug 2025 – Present

- Leading product and Project delivery for an AI-powered Life Sciences education and advisory platform focused on Bioinformatics, Genomics, Precision Medicine, and Biotech Business Management.
- Designing LLM-driven career intelligence and learning roadmaps aligned to pharma, biotech, CRO, and healthcare analytics roles.
- Partnering with academic leaders and Life Sciences SMEs to build industry-aligned PGP and Master's programmes.

► Project Delivery Lead | This Works B.V(Agilisium), The Netherlands

Sep 2023 – Aug 2025

- Led end-to-end Project delivery of AI-powered conversational analytics platforms for precision medicine and biomarker analytics.
- Governed roadmaps, risks, dependencies, budgets, and benefits realisation across multi-vendor ecosystems.
- Enabled GenAI-driven data storytelling and self-service analytics, reducing insight cycles from hours to seconds.
- Delivered ServiceNow-based digital lab workflows covering equipment onboarding, commissioning, decommissioning, access, CAPEX/OPEX, and compliance reporting.

► Senior Project Manager | Agilisium Consulting LLC, India

Jun 2021 – Aug 2023

- Managed Project spanning Commercial Data Lake (CDL), Development Data Lake (DDL), Medical Affairs BI COE, Lab Data Automation, Clinical & Patient Data.
- Delivered cloud-native platforms using AWS (S3, Glue, Lambda, Athena), Azure Data Factory & Databricks, and Snowflake / Snowpipe.
- Established enterprise data governance and MDM using Reltio and Collibra, improving data quality, lineage, and regulatory confidence.
- Built and scaled a global Medical Affairs BI COE, consolidating Tableau, Qlik, and Power BI into a standardised Power BI ecosystem.
- Led migration of 500+ R&D repositories from self-hosted GitLab to Enterprise GitLab SaaS.
- Standardised CI/CD pipelines, DevSecOps controls, and governance models supporting global data science teams.

- Project Officer | Wipro Limited, India

Sep 2020 – Jun 2021

 - Supported SAP ECC to SAP S/4HANA Cloud migration, managing requirements, testing, cutover, and stakeholder coordination.
- Project Executive | NTC Logistics , India

May 2019 – Sep 2020

 - Delivered SAP Business ByDesign implementation covering logistics, finance, and supply chain operations.

KEY ACHIEVEMENTS

- Delivered AI-driven analytics platforms reducing scientific insight turnaround time by >90%, accelerating research and decision-making.
- Led global Life Sciences data & analytics programmes across 10+ regions, supporting Commercial, R&D, Medical Affairs, and Labs.
- Migrated 500+ R&D repositories to enterprise GitLab SaaS, establishing DevSecOps standards and CI/CD automation.

CORE COMPETENCIES

Life Sciences Programme Management | Digital & Data Transformation | Commercial & R&D Platforms | Medical Affairs Analytics | Digital Labs & LIMS-adjacent Operations | Cloud Migration (AWS, Azure) | Data Lakes & Analytics Platforms | Snowflake, Databricks | MDM & Data Governance (Reltio, Collibra) | GenAI & Conversational Analytics | DevSecOps | Agile / SAFe / Hybrid Delivery | Programme Governance & PMO | Vendor & Stakeholder Management

EDUCATION

- Master of Business Administration – Data Science & Analytics

2021–2023

Jain University, Bengaluru, Karnataka
- Bachelor of Mechanical Engineering

2015 – 2019

Anna University, Coimbatore, Tamilnadu

CERTIFICATIONS

- Project Management Professional (PMP)**
- Certified Scrum Product Owner (CSPO)
- Generative Ai Mastermind
- Reltio Technical Delivery Manager
- Snowflake Sales & Technical Pro
- SAP MM & Business ByDesign
- Global Certificate in Product Management
- Prompt Engineering with AI Models
