📍 India

PROFESSIONAL SUMMARY

Senior Technical Lead with **8+ years of experience in Network, Router, CPE, and Firewall Testing**. Proven expertise in manual and regression testing, protocol analysis, performance testing, and security validation. Experienced in **team leadership, customer coordination, and end-to-end test strategy execution**. Took a planned **maternity career break** and actively upskilled in **Python and Automation Testing**.

CORE SKILLS

- **Testing:** Manual Testing, Regression Testing, Functional Testing, System Testing
 - **Networking:** TCP/IP, VLAN, Routing, Switching, Firewall, Network Security
 - **Protocols & Tools:** Wireshark, IPERF, Spirent Test Center, RFC2544
 - **Automation:** Python, Selenium WebDriver (Java), Test Automation Fundamentals
 - **Devices:** Router, Modem, CPE, GPON (ONT/OLT/ONU), Firewall (FTD/FMC)
 - **Defect Tracking:** JIRA
 - **Leadership:** Team Management, Knowledge Transfer, Customer Communication
-

PROFESSIONAL EXPERIENCE

Network / CPE Test Engineer – Senior Project Engineer

Client: Router / Modem / CPE Devices | 2015 – 2022

- Executed **functional, regression, performance, stress, and load testing**
- Tested **modem provisioning** via Auto Configuration Server (ACS) – TR-069/TR-098
- Conducted **LAN–WAN, WAN–LAN throughput testing** using:
 - IPERF
 - Spirent Test Center (RFC2544)

- Validated **Wi-Fi features**:
 - Band steering
 - 802.11 b/g/n/ac/ax
 - 2.4GHz & 5GHz performance
 - Security protocols (WEP, WPA, WPA2, WPA3)
 - Debugged **data, voice, and video test cases** using Wireshark
 - Tested **IGMP video streaming** using Proximus set-top box
 - Validated **UPnP, Port Forwarding (TCP/UDP), DLNA, Samba, USB features**
 - Performed **GUI and application testing** of modem interfaces
 - Managed a **team of 4 engineers**, assigned tasks, and tracked progress
 - Delivered **knowledge transfer sessions** on Wi-Fi and CPE testing
-

Senior Technical Lead / Network Test Engineer

Client: CISCO – Firewall Product | 2022 – 2023

- Performed **manual firewall testing** on Cisco Firepower products
 - Built **end-to-end FMC and FTD setups** using virtual machines
 - Installed and configured FTD on hardware platforms
 - Executed SSL Decryption scenarios:
 - Decrypt & Re-Sign
 - Decrypt Known Key (DKK)
 - Do Not Decrypt (DND)
 - Conducted **live traffic testing** using KP, QP for DR, DKK, DND scenarios
 - Performed **FMC and FTD upgrades** on virtual setups
 - Worked with tools such as **pCloud, LASSNG, Windows VMs**
 - Analyzed **FTL jobs using Python** and recreated test scenarios
 - Strong understanding of **SSL flows, asymmetric & symmetric encryption, public/private keys**
-

CAREER BREAK

Maternity Career Break

2023 – 2025

- Took a planned maternity break to focus on newborn childcare
 - Actively upskilled in:
 - Networking CCNA
 - Software testing fundamentals
 - Python programming
 - Automation Testing – Selenium Java
-

TRAINING & UPSKILLING

Automation Testing – Selenium Java

Qtree Technologies | June 2023 - Oct 2023

- Java Fundamentals & OOP concepts
 - Exception Handling, Collections, File Handling
 - Selenium WebDriver architecture
 - Locators, WebElements, Alerts, Frames
 - User interactions, screenshots, test execution
-

Python Automation Testing

Marscaptech Software Solution | Sep 2025 - Dec 2025

- Core Python, Data Structures, OOPS
- Functions, Generators, Decorators
- Error Handling, Logging, Debugging
- Regular Expressions
- Unit Testing Framework
- Basics of Data Analytics using Python

EDUCATION

Master of Technology (Software Engineering)

Birla Institute of Technology and Science (BITS), Pilani

Feb 2016 – Dec 2019

Bachelor of Computer Application

Vivekanandha College of Arts and Science

Jun 2013 – Apr 2015

AWARDS & RECOGNITION

- Victory League – *Going Beyond Deliverables*
 - Round of Applause – *Teamwork & Achievement Orientation*
 - BU Awards – *Outstanding Contributions*
 - Inspiring Performance Award
 - House of Honor – Multiple Recognitions
-

AVAILABILITY

- Open to **Work-From-Office and Remote roles**
- Immediate / Flexible joining
